

## 2019 Character Recognition Awards Sponsorship

Join us in celebrating the exemplary work of Minnesota schools and community organizations in building character strengths and ethical leadership skills in young people! The luncheon event will be held on May 23 at the Science Museum of Minnesota. Your sponsorship or donation will honor those shaping the next generation of workers and leaders and support Synergy in spotlighting this important work. We welcome your sponsorship at one of the levels listed below or a donation at another amount. Sponsorships must be received by April 30, 2019 to be included in the event program. Questions?
