Reach FOR THE Stars

2019–2020 CATALOGUE OF PROGRAMS AND ACTIVITIES

More than 120 academic enrichment programs, challenges, competitions, events and opportunities for Minnesota K–12 students.
REACH FOR THE STARS — EXPANDED OPPORTUNITIES FOR STUDENTS
Reach for the Stars is your guide to high-quality academic enrichment programs and activities to supplement classroom teaching and learning and broaden or increase student performance. Programs included in Reach for the Stars have met the criteria for approval by the Minnesota Academic League Council.

The programs cover a wide range of subject areas and grade levels from kindergarten to adult. Whether offered outside the school day or embedded within classroom curricula, these programs will help students discover and develop their interests, passions and talents. They will help schools and communities support and integrate programs for students to stretch their abilities, learn new skills and reach new heights in learning!

All programs and activities are listed alphabetically by program name and each listing includes a brief description, appropriate grade or age level, skill sets used, curricular area, and contact information to learn more. Programs are also listed by program category and academic content area.

To participate in an activity, contact the sponsoring organization directly, using the information provided in the listing. The sponsor will provide the additional information and support you may need to enroll or participate. If the program is not currently available in your community, try contacting your local school or community education organization to encourage them to sponsor the program.

Reach for the Stars is compiled by Synergy & Leadership Exchange, working in conjunction with the Minnesota Academic League Council. Printing and distribution of Reach for the Stars is made possible through the generous support of Jostens. Preparation and updates of the catalogue are supported in part by the affiliate members of the Minnesota Academic League and the Minnesota Service Cooperatives. Distribution is facilitated through an expanded partnership network including several statewide and regional education organizations and associations as referenced in the catalogue.

Reach for the Stars is available in PDF and text-only Word document formats to download at www.synergyexchange.org.

Special thanks to the hundreds of volunteers, organizations and program providers whose combined efforts result in tens of thousands of Minnesota students enjoying challenging, stimulating and entertaining academic enrichment opportunities!
LOCAL ENRICHMENT OPPORTUNITIES

There are many enrichment programs and activities that are not listed in Reach for the Stars because they are only offered locally and not statewide, a criterion for inclusion. For local program ideas outside of Reach for the Stars, the Minnesota Academic League Council recommends contacting your local school district, community education program, city park and recreation board, public library, university or college, regional service cooperative or after school regional network. Examples of after school regional networks:

- Brooklyn Center/Brooklyn Park – www.brooklynsallianceforyouth.org
- Duluth – www.activityhero.com/in/duluth-mn/activity-providers
- Itasca – www.getlearning.org/page/2694
- Northfield – http://primetimekids.org/about/
- Minneapolis – www.whatsup612.com
- St. Paul – www.sprocketssaintpaul.org/program-finder

JOSTENS

Jostens is a trusted partner in the academic and achievement area, providing products, programs and services that help its customers celebrate moments that matter. The company’s products include yearbooks, publications, jewelry and consumer goods that serve the K–12 educational, higher education and professional sports market. Founded in 1897 and based in Minneapolis, Jostens is one of the leading brands in Newell Brand’s portfolio that touch hundreds of millions of people every day where they Live, Learn, Work and Play and can be found online at www.jostens.com.

**ACADEMIC DECATHLON®**

Grades 9–12

Program Category: Challenges & Competitions, Classroom Enrichment

Academic Content: Arts, Language Arts, Social Studies, STEM

A national scholastic competition designed to stimulate intellectual growth and encourage greater respect for knowledge. The format includes students from each GPA category, honor (3.75–4.0), scholastic (3.0–3.749) and varsity (0.0–2.999) competing in 10 curricular areas. Competitions range from local scrimmages to national contests. This year's theme is "In Sickness and in Health: An Exploration of Illness and Wellness."

**Academic Skills:** Artistic expression, creativity, critical thinking, factual recall, interdisciplinary, leadership development, problem solving, public speaking, research, teamwork, time/budget management and verbal reasoning

Program Provider: South Central Service Cooperative

Website: [www.mnscsc.org/decathlon](http://www.mnscsc.org/decathlon)

Email: jswenson@mnscsc.org

Phone: (507) 389-5017 or (612) 578-3377

Contact: Joyce Swenson

**ACADEMIC PENTATHLON®**

Grades 6–8

Program Category: Challenges & Competitions, Classroom Enrichment

Academic Content: Arts, Language Arts, Social Studies, STEM

Academic Pentathlon, the premier national scholastic competition for middle school students, challenges students to rigorous team and individual competition. Using the USAD curriculum, which addresses several national education content and curriculum standards, students compete in five events: fine arts, literature, mathematics, science and social science. This year’s theme is "In Sickness and in Health: An Exploration of Illness and Wellness."

**Academic Skills:** Artistic expression, creativity, critical thinking, factual recall, interdisciplinary, leadership development, problem solving, public speaking, research, teamwork, time/budget management and verbal reasoning

Program Provider: South Central Service Cooperative

🌟 ACADEMIC WORLDQUEST
Grades 9–12
Program Category: Challenges & Competitions
Academic Content: Business/Career Education, Social Studies

Academic WorldQuest builds global competency and is the only international knowledge team competition of its kind in the state! Interactive and fun, this event challenges high school students to think globally and quiz locally about critical issues facing the U.S. and the world. The winners go to Washington, D.C.!

Academic Skills: Critical thinking, factual recall, global citizenship, research and teamwork
Program Provider: Global Minnesota
Fees and Deadlines: Free to participate. Registration opens in October. Check website for competition details.
Website: www.globalminnesota.org/education/high-school-programs/academic-worldquest/
Email: info@globalminnesota.org
Phone: (612) 625-1662
Contact: Sylvia Oxenham

AMERICAN LEGION AUXILIARY GIRLS STATE
Grade 11
Program Category: Conferences & Institutes, Leadership Development
Academic Content: Social Studies

The program is a practical application of Americanism and good citizenship. The purpose is to provide citizenship training for young women, to afford an opportunity to live together as self-governing citizens and to inform themselves about the duties, privileges, rights and responsibilities of American citizenship.

Academic Skills: Cooperation, problem solving and critical thinking
Program Provider: American Legion Auxiliary
Fees and Deadlines: Fees paid by American Legion Auxiliary Units (local chapters). Visit website for details.
Website: www.mnala.org
Email: deptoffice@mnala.org
Phone: (651) 224-7634
Contact: MN American Legion Auxiliary

AMERICAN LEGION BOYS STATE
Grade 11
Program Category: Conferences & Institutes, Leadership Development
Academic Content: Social Studies

American Legion Boys State is a practical training program in local and state government in which selected boys participate in authentic learning experiences. The program goals are to illustrate the principles of representative form of government and arouse an enduring interest in governmental affairs.

Academic Skills: Critical thinking and creativity
Program Provider: American Legion Boys State
Fees and Deadlines: Fees paid by sponsoring American Legion Post. Applications accepted on first-come, first-serve basis if qualified.
Website: www.mnboysstate.org
Email: jkelley@mnlegion.org
Phone: (651) 291-1800 or toll free (866) 259-9163
Contact: Jennifer Kelley
AMERICAN MATHEMATICS COMPETITIONS – 8
Grades 6–8
Program Category: Challenges & Competitions
Academic Content: STEM

American Math Competitions seek to increase interest in mathematics and develop problem-solving skills. The competition consists of a 25-question, 40-minute, multiple choice test with no penalty for guessing. Problems draw on material from the middle school mathematics curriculum. No problem requires the use of algebra or a calculator. Students compete for individual recognition rather than as part of a team.

Academic Skills: Problem solving
Program Provider: Mathematical Association of America
Fees and Deadlines: Please see website for details.
Website: www.maa.org/math-competitions
Email: amcinfo@maa.org
Phone: (800) 527-3690
Contact: Jennifer Barton

AMERICAN MATHEMATICS COMPETITIONS – 10 & 12
Grades 9–12
Program Category: Challenges & Competitions
Academic Content: STEM

American Math Competitions seek to increase interest in mathematics and develop problem-solving skills. The competition consists of a 25-question, 75-minute, multiple choice tests administered by your school. The AMC 10 covers subject matter normally associated with grades 9 and 10. The AMC 12 covers the high school mathematics curriculum, excluding calculus.

Academic Skills: Problem solving
Program Provider: Mathematical Association of America
Fees and Deadlines: Please see website for details.
Website: www.maa.org/math-competitions
Email: amcinfo@maa.org
Phone: (800) 527-3690
Contact: Jennifer Barton

BEING THE CHANGE
Grades 6–12
Program Category: Classroom Enrichment, Leadership Development
Academic Content: Language Arts, Social Studies

Interested in applying your leadership skills to peace-building? Get inspired by Nobel Peace Prize laureates whose lives are captured in an iBook, "Being the Change." Developed by Youthrive, the resource enriches in- or out-of-school programs for middle or high school students. Network with other peace-builders and meet a Nobel laureate at the annual Nobel Peace Prize Forum at Augsburg College!

Academic Skills: Critical thinking, global citizenship, leadership development, problem solving and teamwork
Program Provider: Youthrive
Fees and Deadlines: Participation in the 2019 Nobel Peace Prize Forum, Oct. 28–29, is free for youth and adults who are "Being the Change" sites through Youthrive. Enrollment to become a site is ongoing; email the organization for details.
Website: www.youthrive.net
Email: info@youthrive.net

BESTPREP'S CLASSROOM PLUS
Grades 6–12
Program Category: Classroom Enrichment
Academic Content: Business/Career Education

Program staff coordinate volunteer speakers, tours, mock interviews and career days to supplement classroom curricula. More than 600 volunteers from across Minnesota bring their business and career expertise into the classroom. They help connect students’ classroom learning with real world applications while serving as positive role models.

Academic Skills: Critical thinking, leadership development, public speaking, teamwork, career skills and career exploration
Program Provider: BestPrep
Fees and Deadlines: Program is free. Educators may request speakers for classes of 10 or more students. Please allow four weeks to schedule speakers.
Website: www.bestprep.org/classroom-plus/
Email: cpinfo@bestprep.org
Phone: (763) 233-6332
Contact: Julie Anderson

BESTPREP'S EMENTORS
Grades 9–12
Program Category: Classroom Enrichment
Academic Content: Business/Career Education, General, Language Arts

Email mentoring offers students the chance to exchange emails about a series of career, workplace or business prompts with an adult other than their parents and teachers. Ementors can help students increase academic motivation, improve their reading and writing skills, provide pathways to career awareness, gain experience using technology and promote self-confidence.

Academic Skills: Creativity, interdisciplinary and leadership development
Program Provider: BestPrep
Fees and Deadlines: Free, if volunteer mentors are available. Schools provide their own bus transportation to the Meet & Greet held at the mentors’ worksite.
Website: www.bestprep.org/ementors
Email: ementors@bestprep.org
Phone: (763) 233-6329
Contact: Tyler Ormson

★ BESTPREP'S FINANCIAL MATTERS
Grades 6–12
Program Category: Classroom Enrichment
Academic Content: Business/Career Education

BestPrep’s Financial Matters program equips students with the tools necessary to develop sound money management skills through industry professionals who help develop and deliver presentations focused on financial literacy. From investing to credit, budgeting to buying a car, the program provides real-life lessons in money management.

Academic Skills: Critical thinking, time/budget management, financial literacy and personal finance
Program Provider: BestPrep
Fees and Deadlines: Program is free. Educators may request speakers for classes of 10 or more students. Please allow four weeks to schedule speakers.
Website: www.bestprep.org/financial-matters
Email: fm@bestprep.org
Phone: (763) 233-6332

BESTPREP’S MINNESOTA BUSINESS VENTURE

Grades 9–12
Program Category: Challenges & Competitions, Leadership Development
Academic Content: Business/Career Education, STEM

Minnesota Business Venture is for students dreaming of starting a business, searching for career direction, heading to college or just eager to get into the workforce. Students spend a week during the summer on a college campus developing leadership, teamwork and communication skills as well as gaining business experience from professionals.

Academic Skills: Critical thinking, global citizenship, leadership development, problem solving, public speaking, teamwork and time/budget management
Program Provider: BestPrep
Fees and Deadlines: Check our website for the exact summer dates. Students pay $200 for the week; save $50 with early bird discount.
Website: www.bestprep.org/mbv
Email: mbv@bestprep.org
Phone: (763) 233-6325
Contact: Jonathan Filzen

BESTPREP’S THE STOCK MARKET GAME™

Grades 4–12
Program Category: Challenges & Competitions, Classroom Enrichment
Academic Content: Business/Career Education, General, Social Studies, STEM

Students work in teams of 2–5 to invest $100,000 in stocks, mutual funds and bonds, managing their portfolios in an online portal. SMG is an experiential learning program and can be used during or after school, every day or once per week. Students gain business, math, economics and financial literacy skills, collaborating to research and make smart investment decisions.

Academic Skills: Critical thinking, interdisciplinary, problem solving, research and teamwork
Program Provider: BestPrep
Fees and Deadlines: Visit bestprep.org for session dates. Three-week trials are available for educators. Registration opens June 2019. Contact Stephanie about waiving the $14 per team fee.
Website: www.stockmarketgame.org
Email: smg@bestprep.org
Phone: (763) 233-6328

CALENDAR IN THE CLASSROOM

Grades K–5
Program Category: Classroom Enrichment
Academic Content: Arts, General, Language Arts, STEM

Calendar in the Classroom provides a series of lessons utilizing information and principles contained in the Minnesota Weatherguide Environment™ Calendar. With the help of an informative video and complementary workshop, these lessons are presented in such a way that the generalist teacher can teach real science with confidence and ease.

Academic Skills: Creativity, critical thinking, environmental stewardship, global citizenship and interdisciplinary
Program Provider: Jeffers Foundation
Fees and Deadlines: No cost. Program is ongoing.
Website: www.jeffersfoundation.org
Email: tbwesterhaus@gmail.com
Phone: (715) 629-7223
Contact: Tom Westerhaus
CENTER FOR TALENT DEVELOPMENT
Age 3–Grade 12
Program Category: Classroom Enrichment, Leadership Development
Academic Content: Language Arts, STEM

Center for Talent Development at Northwestern University is dedicated to helping gifted students, age 3 through grade 12, reach their full potential. Research-based assessment, advanced programs and resources to enhance a child’s schooling period is provided. CTD offers enrichment and credit courses in a range of subject areas.

Academic Skills: Creativity, critical thinking, interdisciplinary, leadership development and problem solving
Program Provider: Center for Talent Development at Northwestern University
Fees and Deadlines: Visit www.ctd.northwestern.edu/tuition for tuition and fees.
Website: www.ctd.northwestern.edu/
Email: ctd-admissions@northwestern.edu
Phone: (847) 467-1575
Contact: Admissions and Advising Office

★ CLASSROOM CONNECTION
Grades K–5
Program Category: Classroom Enrichment
Academic Content: Arts, General, Language Arts, Social Studies, STEM, World Languages

Classroom Connection brings the world to your school! It is an interactive and hands-on program that brings students, teachers and international volunteers together for a series of cross-cultural lessons. It provides global perspectives, introduces positive role models, promotes understanding and respect, and supports Minnesota education standards.

Academic Skills: Critical thinking, factual recall, global citizenship and verbal reasoning
Program Provider: Global Minnesota
Fees and Deadlines: Free. Check the website for registration details.
Website: www.globalminnesota.org/education/elementary-school-program/how-it-works/
Email: info@globalminnesota.org
Phone: (612) 625-1662

### CRAZY 8S MATH CLUB

**Grades** K–5  
**Program Category:** Out of School Time Enrichment  
**Academic Content:** STEM  

Crazy 8s is an over-the-top after-school club that is designed to get you fired up about math. You will learn the math behind your favorite activities. It is math gone wild, nothing like your usual math club! You will build glow-in-the-dark structures, crack secret spy codes and play games like the Toilet Paper Olympics.

**Academic Skills:** Factual recall, problem solving and teamwork  
**Program Provider:** Bedtime Math Foundation  
**Fees and Deadlines:** Free  
**Website:** www.bedtimemath.org  
**Email:** liz@bedtimemath.org  
**Phone:** (908) 344-3290  
**Contact:** Liz Ross

### ★ CURRENT EVENTS CHALLENGE

**Grades** 5–12  
**Program Category:** Challenges & Competitions, Classroom Enrichment  
**Academic Content:** Social Studies  

For 32 weeks of the school year, teachers who subscribe go online and download the weekly edition that highlights the news, sports and entertainment from the week. Teachers also receive two comprehensive semester tests to be used to measure the effectiveness of the program and complete instructions on the recommended implementation.

**Academic Skills:** Factual recall, critical thinking, interdisciplinary, teamwork and global citizenship  
**Fees and Deadlines:** $50/year for new subscribers; $100/year subsequent year. September–May.  
**Email:** russ.jam.arm@gmail.com  
**Phone:** (320) 760-0821  
**Contact:** Russell Armstrong

### CYBERPATRIOT NATIONAL YOUTH CYBER DEFENSE COMPETITION

**Grades** 6–12  
**Program Category:** Challenges & Competitions  
**Academic Content:** STEM  

CyberPatriot is the premier national youth cyber-defense competition created to inspire middle and high school students toward careers in cyber-security or other science, technology, engineering and mathematics (STEM) disciplines critical to our nation's future.

**Academic Skills:** Problem solving, critical thinking and computer skills  
**Program Provider:** Air Force Association  
**Website:** www.uscyberpatriot.org  
**Email:** info@uscyberpatriot.org  
**Phone:** (877) 885-5716
DESTINATION IMAGINATION
Grades K–12, Post-secondary
Program Category: Challenges & Competitions
Academic Content: STEM

Destination Imagination (DI) inspires and equips students to become the next generation of innovators and leaders. The organization is a leader in project-based learning experiences, where students work together in teams to solve open-ended STEM and service learning challenges and then present their solutions at tournaments.

Academic Skills: STEM concepts, problem solving, critical thinking, time/budget management, creativity, cooperation, improvisation, research and teamwork
Program Provider: Intermediate District 287
Fees and Deadlines: For more information, please visit the website.
Website: www.mndi.org; www.idodi.org

FEDERAL RESERVE BANK OF MINNEAPOLIS ESSAY CONTEST
Grades 9–12
Program Category: Challenges & Competitions, Classroom Enrichment
Academic Content: Social Studies

The essay topic for this economic education contest provides an opportunity for teachers and students in the Ninth Federal Reserve District to study issues concerning economics, banking and the Federal Reserve.

Academic Skills: Creativity, critical thinking, problem solving, research and writing
Program Provider: Federal Reserve Bank of Minneapolis
Fees and Deadlines: No fees. Please check website for specific topic and dates.
Website: www.minneapolisfed.org/essaycontest
Email: EssayContest@mpls.frb.org
Phone: (612) 204-6689

FIRST LEGO® LEAGUE
Grades 4–8
Program Category: Awards & Recognitions, Challenges & Competitions
Academic Content: STEM

FIRST LEGO League encourages young innovators to build self confidence in STEM while developing critical thinking and team building skills. Teams design, build and program an autonomous LEGO robot as well as research and solve a real world problem associated with a yearly theme.

Academic Skills: Creativity, critical thinking, problem solving, research and teamwork
Program Provider: High Tech Kids
Fees and Deadlines: Visit the website for detailed information.
Website: www.hightechkids.org
Email: vicki@hightechkids.org
Phone: (612) 781-2203
Contact: Vicki Coaty

FIRST LEGO® LEAGUE JUNIOR
Grades K–4
Program Category: Awards & Recognitions, Classroom Enrichment
Academic Content: STEM

FIRST LEGO League Junior teams work together to discover how science and technology impact the world around them. Teams work with LEGO WeDo and LEGO elements to build a motorized model and create a Show Me poster related to their research on a yearly theme.

Academic Skills: Creativity, critical thinking, public speaking, research and teamwork
Program Provider: High Tech Kids
Fees and Deadlines: Visit the website for detailed information.
Website: www.hightechkids.org
Email: vicki@hightechkids.org
Phone: (612) 781-2203
Contact: Vicki Coaty
FIRST® TECH CHALLENGE
Grades 7–12
Program Category: Awards & Recognitions, Challenges & Competitions
Academic Content: STEM

FIRST Tech Challenge is a hands-on and rapid prototyping robotic experience for students in grades 7–12. Teams build and program robots, based on sound engineering principles, to compete in an alliance format. FTC helps kids develop strategic, problem solving and team building skills.

Academic Skills: Creativity, critical thinking, interdisciplinary, leadership development, problem solving, public speaking, teamwork, time/budget management and verbal reasoning

Program Provider: High Tech Kids
Fees and Deadlines: Visit the website for detailed information.

GATHERING OF CHAMPIONS
Grades K–12
Program Category: Awards & Recognitions
Academic Content: General

An annual event to celebrate academic excellence and to honor outstanding K–12 students as Academic All-Stars. Teachers, administrators and/or academic challenge coaches may nominate their top students or those that have made a dramatic improvement in their academic work for recognition as Academic All-Stars. Nominations may be placed online each spring on the website.

Program Provider: Synergy & Leadership Exchange
Fees and Deadlines: No fees. Statewide recognition event is on the first Friday in August.
Website: www.synergyexchange.org/Celebrate/GOC.aspx
Email: goc@synergyexchange.org
Phone: (507) 389-5115
Contact: Leah Garry

CALLING ALL STUDENTS . . .
DESIGN THE 2020 GATHERING OF CHAMPIONS LOGO!

Submit your original logo design ideas for the 2020 Gathering of Champions, which will appear on the certificates of achievement, T-shirts, banners and other materials. The winner receives $100 and framed copy of their winning design. The contest is open to all Minnesota K–12 students. All entries must be designed by a currently enrolled student and be received by March 31, 2020. See complete rules for submission on the Synergy & Leadership Exchange website. Teachers, make this a classroom activity; celebrate the importance of academics and the arts with your students!

Congratulations to Sophie Birkholz from Kennedy Community School in St. Cloud, winner of the 2019 Logo Contest!
GERMAN LANGUAGE AND CULTURE FESTIVAL
Grades 7–12
Program Category: Challenges & Competitions, Out of School Time Enrichment
Academic Content: World Languages

The German Language and Culture Festival brings together students from Minnesota and Wisconsin for a half-day immersion experience in which they engage in level-appropriate activities in German and build a sense of community with other language learners. Additionally, the festival invites students to showcase their talents by submitting projects to a competition based on a predetermined theme.

Academic Skills: Creativity, global citizenship, interdisciplinary and teamwork
Program Provider: German Studies Program, University of Minnesota Duluth
Fees and Deadlines: No fees. Notifications regarding the deadlines will be sent via email.
Email: hbrining@d.umn.edu
Phone: (218) 726-8245
Contact: Holly Brining

GIRLS WHO CODE CLUBS
Grades 3–12
Program Category: Out of School Time Enrichment
Academic Content: Business/Career Education, General, STEM

Clubs are FREE programs where girls in grades 3–12 join our sisterhood of supportive peers and role models while using computer science to impact their community! They can be hosted in any non-profit space, and facilitators can come from any level of computer science background—teachers, parents and community members welcome!

Academic Skills: Creativity, critical thinking, interdisciplinary, problem solving and teamwork
Program Provider: Girls Who Code
Fees and Deadlines: Completely free! Includes curricula, customizable lesson guides, ongoing support, grant funding and more. Clubs can begin at any point and run for 10 or more sessions.
Website: https://girlswhocode.com/clubs/

Contact: Danielle Kruger

HOBY YOUTH LEADERSHIP SEMINAR
Grade 10
Program Category: Conferences & Institutes, Leadership Development
Academic Content: Social Studies
HOBY is a three-day transformative youth leadership training seminar. Areas of focus include communication for understanding, critical thinking, teamwork and individual leadership. Participants explore current issues facing our communities, develop tools for planning and action, and receive access to a world-wide network of HOBY alumni.
Academic Skills: Problem solving, critical thinking, teamwork, leadership development, global citizenship and time/budget management
Program Provider: Hugh O’Brian Youth Leadership – Minnesota, Inc.
Fees and Deadlines: Cost for the first student at each school is $225; additional students pay the full cost of $495 per student. Leadership Seminar occurs every June. See packet sent to school guidance counselor or website for more details.
Website: www.hobyminnesota.org
Email: info@hobyminnesota.org

JOSTENS RENAISSANCE EDUCATION
Grades K–12
Program Category: Awards & Recognitions, Leadership Development
Academic Content: General
Jostens partners with educators to renew school climate and culture through Jostens Renaissance Education. Thousands of schools are proud to call themselves “Jostens Renaissance Schools,” as reflected in the results seen in improved academic performance, behavior, student engagement and overall school spirit. Resources such as The Harbor by Jostens weekly video series, The Idea Exchange library of activities that work and the annual Jostens Renaissance National Conference provide a framework for using recognition to connect with students and help everyone feel like part of the school community.
Academic Skills: Critical thinking, leadership development, problem solving, public speaking and teamwork
Program Provider: Jostens Renaissance Education
Fees and Deadlines: No cost for Jostens customers. Visit the website for information on resources and events.
Website: www.jostensrenaissance.com
Email: renaissance@jostens.com
Phone: (800) 624-5534
Junior Achievement Capstone Programs combine practical applications in real world situations with principles learned in the classroom. Students explore lessons of entrepreneurship, financial literacy and work readiness, and put those skills to work in simulated communities and workplace settings. Programs include JA Finance Park, JA Titan, JA Company Program and JA Job Shadow.

Academic Skills: Problem solving, critical thinking, creativity, public speaking, teamwork, leadership development, global citizenship, environmental stewardship, time/budget management and personal development

Program Provider: Junior Achievement of the Upper Midwest
Fees and Deadlines: Fees vary by location; contact program for details.
Website: www.jaum.org
Email: Lizg@jaum.org
Phone: (651) 255-0055
Contact: Liz Guimont

Junior Achievement Classroom Programs inspire and prepare K–12 students to succeed in school and beyond through relevant, experiential curriculum. Elementary age students learn how they can impact the world around them as individuals, workers and consumers. Secondary age students learn how to take control of their economic success, start and run a business, and prepare for college and a career.

Academic Skills: Problem solving, critical thinking, creativity, public speaking, teamwork, leadership development, global citizenship, environmental stewardship, time/budget management and personal development

Program Provider: Junior Achievement of the Upper Midwest

**WOULD YOU LIKE YOUR PROGRAM TO BE PART OF REACH FOR THE STARS?**

The Minnesota Academic League Council reviews applications from academic challenges and competitions, awards and recognitions, classroom enrichment, conferences and institutes, leadership development and out of school time programs available on a statewide basis in Minnesota for inclusion in Reach for the Stars. Email reach@synergyexchange.org to request an application.

The print version of Reach for the Stars is distributed directly to schools and families across Minnesota through our partnership distribution network. In addition, Reach for the Stars is available in an electronic format at www.synergyexchange.org.
MATHEMATICAL OLYMPIADS FOR ELEMENTARY & MIDDLE SCHOOLS (MOEMS®)
Grades 4–6 (Division E), Grades 6–8 (Division M)

Program Category: Challenges & Competitions, Classroom Enrichment, Out of School Time Enrichment
Academic Content: STEM

Math Olympiads is a series of five contests (November–March) in each division. Contests may be administered in the classroom or in a before/after school program. Tournaments are exciting face-to-face competitions that may be offered by any school or professional organization in the spring. Visit www.facebook.com/moems.org or @TweetMOEMS for more information.

Academic Skills: Critical thinking and problem solving
Program Provider: MOEMS® – Mathematical Olympiads for Elementary & Middle Schools
Fees and Deadlines: Early bird fee is $99 due by June 30. The standard fee to enroll a team is $119 between July 1–Oct. 15 and $139 between Oct. 16–31.
Website: www.moems.org
Email: info@moems.org
Phone: (516) 781-2400
Contact: Nicholas J. Restivo

★ MATHWORKS MATH MODELING (M3) CHALLENGE
Grades 11–12

Program Category: Challenges & Competitions
Academic Content: STEM

M3 Challenge is a free, internet-based applied math competition for high school juniors and seniors known for inspiring them to pursue STEM majors and careers. Working in teams of three to five, participants solve an open-ended, math-modeling problem focused on a realistic issue – in 14 hours. Teams with the best solution papers receive tuition scholarships for their college education.

Academic Skills: Creativity, critical thinking, problem solving, research and teamwork
Program Provider: Society for Industrial and Applied Mathematics
Website: https://m3challenge.siam.org/
Email: M3challenge@siam.org
Phone: (267) 350-6333
Contact: Adrianne Ali

MATH MANIA TOURNAMENT
Want more MOEMS? Join us for a live competition! Teams of five students will participate in individual, team and playoff rounds of competition surrounding mathematical thinking and problem solving. Coaches are provided sample problems in advance of the competition and solutions for reviewing with teams afterward. Team and individual awards will be presented at a ceremony following the competition. Schools or other youth groups are invited to form teams, or students can register individually and will be placed on teams for the competition. Visit www.mnsccsc.org/math-mania for more information.
MINNESOTA 4H YOUTH DEVELOPMENT
Grades K–13
Program Category: Leadership Development, Out of School Time Enrichment
Academic Content: Arts, General, STEM

Minnesota 4-H Youth Development programs are found in urban, suburban, tribal and rural communities across Minnesota. There are many ways to participate: 4-H clubs, 4-H afterschool programs, project-based learning, 4-H day and residential camps, and regional and state programs and events.

Academic Skills: Creativity, critical thinking, global citizenship, leadership development and public speaking
Program Provider: University of Minnesota Extension – Minnesota 4-H Youth Development
Fees and Deadlines: See website for details.
Website: www.extension.umn.edu/4-h
Email: fourh@umn.edu
Phone: (612) 624-2116
Contact: Jennifer A. Skuza, Ph.D.

MINNESOTA ACADEMY OF SCIENCE JUNIOR SCIENCE & HUMANITIES SYMPOSIUM (JSHS)
Grades 9–12
Program Category: Awards & Recognitions, Challenges & Competitions
Academic Content: STEM

A scientific research paper competition for high school students. Students present their original research in science, technology, engineering or mathematics at the North Central Regional JSHS and compete for scholarships, recognition and awards. The top five papers participate in the National JSHS.

Academic Skills: Creativity, critical thinking, problem solving, public speaking and research
Program Provider: Minnesota Academy of Science
Fees and Deadlines: See website for competition dates, deadlines and fees.
Website: www.mnmas.org/junior-science-and-humanities-symposium/north-central-regional-jshs
Email: saragomez@mnmas.org
Phone: (612) 643-0627
Contact: Sara Gomez

MINNESOTA ACADEMY OF SCIENCE MIDDLE SCHOOL AND HIGH SCHOOL SCIENCE BOWL
Grades 6–8, 9–12
Program Category: Challenges & Competitions, Out of School Time Enrichment
Academic Content: General, STEM

The competition consists of five-person teams buzzing in to answer science and math questions in a fast-paced format. Each team competes in a round-robin tournament with the top teams advancing to a double-elimination championship. The winning team represents Minnesota with a paid trip to the National Science Bowl in Washington, D.C.

Academic Skills: Critical thinking, factual recall, leadership development, problem solving and teamwork
Program Provider: Minnesota Academy of Science
Fees and Deadlines: See website for competition dates and deadlines. $150 per team of four to five students.
Website: www.mnmas.org/science-bowl/science-bowl
Email: bdonoho@mnmas.org
Phone: (763) 218-5865
Contact: Barbara Donoho
MINNESOTA ACADEMY OF SCIENCE STATE SCIENCE & ENGINEERING FAIR
Grades 6–12
Program Category: Awards & Recognitions, Challenges & Competitions
Academic Content: STEM
Since 1938, Minnesota State Science & Engineering Fair has been the pinnacle of project-based STEM education in Minnesota, the culmination of regional science fairs throughout the state with 500 students selected to present their research. The top four projects participate in an all-expense paid trip to the International Fair with more than 70 countries.
Academic Skills: Creativity, critical thinking, problem solving, public speaking and research
Program Provider: Minnesota Academy of Science
Fees and Deadlines: See website for fees, deadlines and competition dates.
Website: www.mnnas.org/state-science-engineering-fair/state-science-engineering-fair
Email: saragomez@mnmas.org
Phone: (612) 643-0627
Contact: Sara Gomez

MINNESOTA AGRICULTURE IN THE CLASSROOM (MAITC)
Grades K–12
Program Category: Classroom Enrichment
Academic Content: Business/Career Education, General, Language Arts, Social Studies, STEM
MAITC seeks to improve student achievement by applying authentic, agricultural-based content as the context to teach core concepts in science, social studies, language arts and nutrition. By encouraging teachers to embed agriculture into their curriculum, MAITC cultivates an understanding and appreciation of the food system that we rely on every day.
Academic Skills: Critical thinking, environmental stewardship, global citizenship, interdisciplinary and agricultural literacy
Program Provider: MAITC at the Minnesota Department of Agriculture
Fees and Deadlines: All MAITC resources are free except the Children’s Literature Book Bundle.
Website: www.minnesota.agclassroom.org
Email: Sue.knott@state.mn.us
Phone: (651) 201-6486
Contact: Sue Knott

★ MINNESOTA BUSINESS PROFESSIONALS OF AMERICA, SECONDARY DIVISION
Grades 9–12
Program Category: Challenges & Competitions, Conferences & Institutes
Academic Content: Business/Career Education
The mission of Business Professionals of America is to contribute to the preparation of a world-class work force through the advancement of leadership, citizenship, academic and technological career skills for business and office students. It combines school-based and work-based learning.
Academic Skills: Creativity, critical thinking, global citizenship, leadership development, problem solving, public speaking, research, teamwork, time/budget management and verbal reasoning
Program Provider: MN Business Professionals of America
Fees and Deadlines: State dues: $8 prior to Dec. 2, 2019, thereafter $9.
Website: www.mnbpaco.org
Email: jackie@tekstar.com
Phone: (218) 847-5355
Contact: Jackie Schiller
MINNESOTA DECA
Grades 9–12
Program Category: Challenges & Competitions, Conferences & Institutes
Academic Content: Business/Career Education
DECA is a school-to-work student organization that provides marketing related activities and leadership development. It combines school-based and work-based learning, focusing on careers in marketing, management and entrepreneurship. Competition is in occupational skills, leadership and management.
Academic Skills: Artistic expression, creativity, critical thinking, global citizenship, leadership development, problem solving, public speaking, research, teamwork, time/budget management and verbal reasoning
Program Provider: Minnesota Secondary DECA
Website: www.mndeca.org
Email: jackie@tekstar.com
Phone: (218) 847-5355
Contact: Jackie Schiller

MINNESOTA ENVIROTHON
Grades 9–12
Program Category: Challenges & Competitions
Academic Content: STEM
The Minnesota Envirothon is an outdoor learning competition where teams of high school students compete in five learning stations including soils, aquatics/wetlands, wildlife, forestry and a current environmental topic. They are tested in each area and students also give a 10 minute presentation on the current issue. It is a one day event; students must qualify from an area event to compete at state.
Academic Skills: Knowledge of natural resource issues and topics, public speaking, research, critical thinking, problem solving skills, interdisciplinary, creativity and teamwork
Program Provider: NCF Envirothon (national), Association of Conservation District (State), and Minnesota Area and Local Soil and Water Conservation Districts (area events)
Fees and Deadlines: No fees for regional and state level. Regional events are in late April/early May; State event is the third Monday in May; National event is typically held in July or August.
Website: www.maswcd.org/envirothon.htm
Email: judy.johnston@stevensswcd.org
Phone: (320) 589-4886, ext. 114
Contact: Judy Johnston

CAN’T FIND A PROGRAM YOU ARE LOOKING FOR?
Check the listings on pages 3–4. If you have difficulty finding an activity, look in the table of contents under Minnesota, MN, or National as several programs are statewide or national in scope, which is reflected in the formal program name. A few programs have made slight changes to their name, which may affect their placement in the catalogue.
The Jostens Renaissance National Conference is a one-of-a-kind experience that brings all educational stakeholders together with the sole focus of creating a positive culture and climate. It is a premier educational conference in sharing ideas by making connections, hearing new ways to promote and build character for students, staff, and faculty, and a celebration of the best educators and students in the nation.

For over 25 years, Jostens Renaissance Education has helped schools across North America renew their climate and culture. Hand in hand with an amazing nationwide network of educators and students, Jostens is able to provide unparalleled strategies and resources focused on the hearts, minds, and souls of schools to drive results. School communities across the country credit Jostens Renaissance with their school culture revival.

RESOURCES

The Harbor™ is an online video series that builds character in students and culture on campus with a library of over 100 videos and new weekly episodes from September–April, each with a downloadable teaching guide for student-led discussions. The Harbor will engage, inspire, and motivate your students.

Visit JostensRenaissance.com to be part of the movement of sharing ideas that lift the culture and climate of schools everywhere. Browse the Idea Exchange to find downloadable step-by-step guides for activities to try at your school. Then submit your ideas for more Renaissance schools to see!

The Pulse is a scientifically valid survey that will help you understand how your students feel recognized. The customized report will aid you in strengthening your student recognition strategy.

Ready to energize the climate and culture at your school? Check out the new Jostens Renaissance Getting Started Kit! With a series of videos showcasing Renaissance schools in action, self-assessments, ideas and seven sections thoroughly covering different aspects of Renaissance, this kit will guide you as you start your Renaissance Journey.

The heart of the school is its students and staffulty (staff + faculty), and to have a positive climate and culture everyone needs to feel like they matter and contribute to the school. Do they feel like they belong in the building? Do they feel like they are seen, heard, and loved on a daily basis? Do they take care of each other and their community to make sure everyone feels that way? Renaissance will help you make sure that students and staffulty feel like members of your community and continue to live out these values.

The mind of the school is the motivation that the students and staffulty bring to each day. Schools using Renaissance have found that recognizing all students for working hard and improving throughout the year leads to higher test scores, higher graduation rates, fewer absences and tardies, and fewer discipline issues. When your students show improvement, how do you recognize that effort and reinforce their progress? With Renaissance, any improvement is a reason to celebrate.

The soul of a school is found in the staff and faculty who drive the climate and culture by modeling the behaviors you want to see. As a society we ask so much of those who work in education. Jostens Renaissance inspires the students, parents and community to recognize the staffulty for all their hard work. When students recognize their teachers, staffulty are reminded of why they became educators and are reassured that they are helping to create the leaders of tomorrow.

MINNESOTA FAMILY, CAREER AND COMMUNITY LEADERS OF AMERICA (FCCLA)

Grades 6–12

Program Category: Challenges & Competitions, Conferences & Institute, Leadership Development

Academic Content: Business/Career Education, General, STEM

Minnesota FCCLA is a career and technical student organization where you can learn to be an effective leader in your school and community and explore possible careers. Youth leaders in FCCLA gain confidence, practical knowledge, character development and skills in presenting, working in teams, and creative and critical thinking.

Academic Skills: Problem solving, critical thinking, creativity, interdisciplinary, research, public speaking, teamwork, leadership development, global citizenship, environmental stewardship, time/budget management and artistic expression

Program Provider: MN FCCLA

Fees and Deadlines: Annual individual membership fee is $20. Middle level chapters pay a lump sum through their school. Membership fee collected in early fall by chapter advisers. Competitive Events (STAR Events) are held in January–February for regions and in April for state competition. Check website for more information.

Website: www.mnfccla.org

Email: wendy.ambrose@state.mn.us

Phone: (651) 330-2950

MINNESOTA FUTURE CITY COMPETITION
Grades 6–8
Program Category: Challenges & Competitions, Classroom Enrichment
Academic Content: Arts, Language Arts, Social Studies, STEM

Students in grades 6–8 imagine, research, design and build cities of the future. Students form teams and compete on the following projects: virtual city design, research essay, physical city model and team presentation. The 2019–20 theme is "Choose a threat to your city’s water supply and design a resilient system to maintain a reliable supply of clean water." State winner competes at the national competition.

Academic Skills: Creativity, critical thinking, problem solving, research and teamwork
Program Provider: Success Beyond the Classroom
Website: www.futurecity.org/Minnesota
Email: colleen.feller@metroecsu.org
Phone: (612) 638-1511
Contact: Colleen Feller

MINNESOTA FUTURE PROBLEM SOLVING PROGRAM
Grades K–12
Program Category: Challenges & Competitions, Classroom Enrichment
Academic Content: Arts, Business/Career Education, General, Language Arts, Social Studies, STEM

Teaching students how to think, not what to think, as they learn problem-solving skills that are applied throughout their lives. Each year critical and creative thinking skills are applied to two practice problems and three competitions. The 2019–20 topics are: International Travel; Sleep Patterns; Gamification (regionals), and; Living in Poverty (state). International topic announced in March 2020. Non-competitive events for grades K–12 and competitive components for divisions in grades 4–6, 7–9 and 10–12.

Academic Skills: Creativity, critical thinking, leadership development, problem solving and teamwork
Program Provider: Minnesota Future Problem Solving Program
Fees and Deadlines: Visit the website for fees and deadlines.
Website: www.mnfpsp.org
Email: cheryl@mnfpsp.org
Phone: (507) 450-4227

MINNESOTA HIGH SCHOOL MUSIC LISTENING CONTEST
Grades 9–12
Program Category: Challenges & Competitions, Classroom Enrichment
Academic Content: Arts

The Music Listening Contest assists teachers in their efforts to expand the music experiences of students. Students gain understanding and appreciation of other cultures through listening and learning about music from various areas and time periods. They also develop teamwork skills as they work in teams of three to compete in the regional and championship contests.

Academic Skills: 
Active listening, artistic expression, critical analysis, factual recall and teamwork
Program Provider: Music Listening Contest Board
Website: www.musiclisteningcontest.com
Email: deb_nelson@musiclisteningcontest.com
Phone: (763) 862-7647
Contact: Deb Nelson

MINNESOTA JUNIOR HIGH MATH LEAGUE
Grades 6–8
Program Category: Challenges & Competitions
Academic Content: STEM

Minnesota Junior High Math League encourages students to participate in math contests, enables students to meet mathletes from other schools and provides recognition for students excelling in mathematics. The program also serves as preparation for the annual MATHCOUNTS competition. The meet topics are based on the MATHCOUNTS topics.

Academic Skills: Creativity, critical thinking, factual recall, problem solving and teamwork
Fees and Deadlines: First team: $175, each additional team $75. Competitions run from October–January (five meets). Fee due at time of registration.
Website: www.mnjhml.com
Email: mnjhml1@gmail.com
Phone: (651) 252-1766
Contact: Luke Olson

★ MINNESOTA MATHCOUNTS
Grades 6–8
Program Category: Challenges & Competitions, Classroom Enrichment
Academic Content: STEM

MATHCOUNTS is a middle school math competition, coaching and enrichment program. Through three distinct programs, middle school students of all ability levels and backgrounds are empowered to reach their full potential in mathematics: MATHCOUNTS Competition Series, The National Math Club and the Math Video Challenge.

Academic Skills: Creativity, critical thinking, leadership development, problem solving and teamwork
Program Provider: Minnesota MATHCOUNTS/MN Society of Professional Engineers
Fees and Deadlines: Save $5/student and $50/team off regular rates by registering through early November; Title I schools save $2.50/student and $25/team! Late fee of $20 after December deadline. Registration fees include the School Competition Kit, entry into the Chapter Competition (1–10 Mathletes), competition entry for the school’s students for as far as they progress in the Competition Series including the state or national level. The National Math Club and Math Video Challenge programs are free.
Website: www.mathcountsmn.org
Email: katie@mathcountsmn.org
Phone: (651) 457-2347
Contact: Katie Jamieson
MINNESOTA MATHEMATICS LEAGUE
Grades 4–12
Program Category: Challenges & Competitions
Academic Content: STEM

Minnesota Mathematics League encourages student interest and confidence in mathematics through solving worthwhile problems. There are contests for students in grades 4–8, Algebra 1 and high school. Every contest has questions from different areas of mathematics. Schools compete in statewide or multi-state league competitions.

Academic Skills: Problem solving, critical thinking and creativity
Program Provider: The Math League
Fees and Deadlines: Please see website for contest dates, fees and deadlines.
Website: www.themathleague.com
Email: Dan@mathleague.com
Phone: (201) 568-6328
Contact: Daniel Fleger

MINNESOTA PTA REFLECTIONS
Grades K–12
Program Category: Awards & Recognitions, Out of School Time Enrichment
Academic Content: Arts

Reflections arts program encourages students to explore their artistic talent and is designed to promote expression and creativity. Students create their artwork based on an annual theme. This year’s theme is "Look Within." Students can show the world through their visual artwork, photography, music composition, film production, dance and literature what it means to look within something, perhaps to find deeper meaning.

Academic Skills: Artistic expression and creativity
Program Provider: Minnesota PTA
Fees and Deadlines: No fees, but school or student must have MN PTA membership. Entry deadline is February 2020.
Website: www.mnpta.org/reflections
Email: reflections@mnpta.org
Phone: (952) 767-4909
Contact: Lori Ortega

★ MINNESOTA SCHOLARS OF DISTINCTION AWARD PROGRAM
Grades 9–12
Program Category: Awards & Recognitions, Leadership Development
Academic Content: Arts, General, Social Studies, STEM

This program recognizes high school students who have demonstrated expert or highly accomplished levels of performance in social studies, leadership, mathematics, science, STEM or theater arts. Students may pursue one or more areas of focus throughout all or part of their K–12 education.

Academic Skills: Factual recall, problem solving, critical thinking, creativity, interdisciplinary, research, public speaking, leadership development, time/budget management and artistic expression
Program Provider: Minnesota Department of Education
Fees and Deadlines: No fees. Deadlines, scoring rubrics and project consultants are listed on the website.
Website: www.education.state.mn.us/MDE/fam/gifted/sod/index.htm
Email: Wendy.Behrens@state.mn.us
Phone: (651) 582-8786
Contact: Wendy A. Behrens
MINNESOTA SCHOLASTIC ART AWARDS
Grades 7–12
Program Category: Awards & Recognitions
Academic Content: Arts

Minnesota high school students, grade 7–12, are invited to enter a juried art exhibition. Award winners are recognized and honored at an award ceremony and reception.

Academic Skills: Critical thinking, creativity and problem solving
Program Provider: Co-sponsored by Art Educators of Minnesota, University of Minnesota’s Regis Art Center and the Weisman Art Museum, with additional support from Triarco Art Supplies
Fees and Deadlines: Registration deadline is the first week in December. See website for more information.
Website: www.aem-mn.org/advocacy/minnesota-scholastic-art-awards
Email: ec2018msaa@gmail.com
Contact: Jamee Yung

MINNESOTA SCIENCE OLYMPIAD (DIVISION A)
Grades 3–6
Program Category: Challenges & Competitions
Academic Content: STEM

The Minnesota Science Olympiad is devoted to improving the quality of science education, increasing student interest in science and providing recognition for outstanding achievement. Team competition includes challenging and motivational events ranging from earth science to physics. The winning team from each division will be invited to the National Science Olympiad.

Academic Skills: Problem solving, factual recall, critical thinking and teamwork
Program Provider: Minnesota Science Olympiad
Fees and Deadlines: Registration: $50 per team (15 students per school) covers both the national and state fees. Each additional team from a school is $50. Check website for registration link.
Website: www.minnesotaso.org
Email: MnSciOly@gmail.com
Phone: (651) 621-7177
Contact: Michael Huberty

★ MINNESOTA SCIENCE OLYMPIAD (DIVISION B)
Grades 6–9
Program Category: Challenges & Competitions
Academic Content: STEM

Science Olympiad is a nationwide organization dedicated to improving science education through competitions like academic track meets of team events. Each year, students prepare for competition by studying a wide range of STEM topics with an emphasis on group participation. Through Science Olympiad, participants bond together and work toward shared goals.

Academic Skills: Creativity, critical thinking, environmental stewardship, factual recall, interdisciplinary, problem solving, research and teamwork
Program Provider: Minnesota Science Olympiad
Fees and Deadlines: Registration fee of $150 per team (15 students per school) covers both the national and state fees. The fee registers your team with the National Science Olympiad allowing the team to advance to the state and national tournaments. Each additional team from a school is $100. Check website for the registration link.
Website: www.minnesotaso.org
Email: hans1355@isd194.org
Phone: (952) 232-3999, ext. 6864
Contact: Brandi Gordon
MINNESOTA SCIENCE OLYMPIAD (DIVISION C)
Grades 9–12
Program Category: Challenges & Competitions
Academic Content: STEM

The Minnesota Science Olympiad offers competitions to encourage students to solve problems and become proficient in a variety of topic areas. Participants compete as a team. The winning team from each division at the state competition will be invited to the National Science Olympiad held in May.

Academic Skills: Problem solving, factual recall, critical thinking and teamwork
Program Provider: Minnesota Science Olympiad
Fees and Deadlines: Registration fee of $150 per team (15 students per school) covers both the national and state fees. The fee registers your team with the National Science Olympiad allowing you to advance to the state and national tournaments, covers the cost of awards, rule books and helps cover costs for the Science Olympiad. Each additional team from a school is $100. Check website for registration link.

MINNESOTA STATE HIGH SCHOOL MATHEMATICS LEAGUE
Grades 9–12
Program Category: Challenges & Competitions
Academic Content: STEM

Schools send students to five meets in their geographic region with both individual and team competitions. Top teams in geographic regions and top 50 scoring students participate in a state tournament. Top individuals in state are invited to join the All-State Team that represents Minnesota in national competitions. The Summer Math Institute, a residential summer camp, is in June.

Academic Skills: Mathematical problem solving and teamwork
Program Provider: Augsburg College
Fees and Deadlines: $600 per school, unlimited number of students from school may participate. Individual students may participate if school does not have a team, cost is $100. Registration deadline is Sept. 1; payment is due Sept. 30. Meet dates are November–February. State tournament is held on the second Monday in March.

MN CUP COMPETITION – YOUTH DIVISION
Grades K–12
Program Category: Challenges & Competitions, Out of School Time Enrichment
Academic Content: Business/Career Education

The Minnesota Cup is an early-stage business competition that takes place annually between April and October. Through the Youth and Student divisions, young entrepreneurs are provided a supportive environment from which to start a new business and compete for prize money. More information about the competition is available on the website.

Academic Skills: Critical thinking, leadership development, problem solving, public speaking, verbal reasoning

Program Provider: Holmes Center for Entrepreneurship, University of Minnesota
Fees and Deadlines: The competition is free to enter. Applications will be available during the month of April 2020 with most activities scheduled during the summer of 2020. Check website beginning in 2019 to get more detailed scheduling information.

MOCK TRIAL PROGRAM
Grades 7–12
Program Category: Challenges & Competitions, Classroom Enrichment
Academic Content: Arts, Business/Career Education, Language Arts, Social Studies

The program gives students an insider’s look at the American legal system while helping them develop critical thinking, communication and teamwork skills. A volunteer attorney works with each team to prepare for the simulated trials held in actual courtrooms during January and February. State tournament is held in March; state champion competes at the national tournament in May.

Academic Skills: Critical thinking, problem solving, public speaking, teamwork and verbal reasoning

Program Provider: Minnesota State Bar Association
Fees and Deadlines: $275 per team; registration deadline is Nov. 1.

MTEEA SUPER MILEAGE COMPETITION
Grades 7–12
Program Category: Challenges & Competitions
Academic Content: STEM
This program joins classroom learning with imagination, ingenuity and teamwork to produce the most fuel-efficient vehicle. Ideas are tempered with calculation to produce optimum design. Students are in charge of this project from the vehicle’s conception to planning, fabrication and testing.
Academic Skills: Problem solving, critical thinking, creativity, interdisciplinary, research, teamwork, leadership development and time/budget management
Program Provider: Minnesota Technology & Engineering Educators Association (MTEEA)
Fees and Deadlines: Visit website for fees and dates.
Website: www.mteea.net/index.php/competitions/supermileage
Email: mteeasupermileage@gmail.com
Phone: (320) 396-3393
Contact: Luke Becker

NATIONAL CURRENT EVENTS LEAGUE
Grades 4–12
Program Category: Challenges & Competitions
Academic Content: Social Studies
Current events competition with four meets per year.
Academic Skills: Critical thinking and factual recall
Program Provider: National Current Events League
Website: www.cmleague.com
Email: support@cmleague.com
Phone: (631) 584-2016
Contact: Joseph Quartararo

NATIONAL GEOGRAPHIC BEE
Grades 4–8
Program Category: Challenges & Competitions
Academic Content: Social Studies
The National Geographic Bee is an annual competition designed to inspire and reward students’ curiosity about the world. Students compete for a chance to win college scholarships and the glory of being the National Geographic Bee Champion. It is a classroom and school-based competition; registration is not open to individual students.
Program Provider: National Geographic Bee
Fees and Deadlines: Visit website for fees and deadlines. Registration opens Aug. 1. There must be a minimum of six eligible students in order for the school to participate.
Website: www.nationalgeographic.org/education/student-experiences/geobee/
Email: ngsbee@ngs.org
Phone: (202) 828-5455
**NATIONAL GEOGRAPHY CHALLENGE**

Grades 2–12  
**Program Category:** Challenges & Competitions  
**Academic Content:** Social Studies

National geography contest that takes place in the classroom. Five levels: grade(s) 2, 3–4, 5–6, 7–9 and 10–12. Contests reflect the main themes of geography, appropriate to each grade level.

**Academic Skills:** Critical thinking and factual recall  
**Program Provider:** National Geography Challenge  
**Fees and Deadlines:** First team $80, additional teams $55; Registration through March 2020; Meet date: Any date between April 26–May 8, 2020.  
**Website:** www.cmleague.com  
**Email:** support@cmleague.com  
**Phone:** (631) 584-2016

**NATIONAL SPANISH EXAMINATIONS**
Grades 6-12
Program Category: Challenges & Competitions
Academic Content: World Languages

The National Spanish Examinations are online, standardized assessment tools given voluntarily by more than 4,000 teachers to approximately 165,000 students throughout the United States to measure proficiency and achievement of students who are studying Spanish as a second language.

Academic Skills: Spanish language
Program Provider: The American Association of Teachers of Spanish and Portuguese (AATSP)
Fees and Deadlines: See website for fees and deadlines. Registration begins in November.
Website: www.aatsp-mn.orgstyled-5styled-7/
Email: nse-coordinator@aatsp-mn.org
Contact: Russell Simonsen
NCTE ACHIEVEMENT AWARDS IN WRITING
Grade 11
Program Category: Awards & Recognitions
Academic Content: Language Arts

The National Council of Teachers of English (NCTE) Achievement Awards in Writing encourages high school juniors to write and to publicly recognize the best student writers. Juniors, who have been nominated by their schools, submit a best and a themed writing to be evaluated by judges. Juniors earn either a Certificate of Superior Writing or a Certificate of Nomination.

Academic Skills: Artistic expression, creativity, critical thinking, verbal reasoning and writing
Program Provider: National Council of Teachers of English
Fees and Deadlines: Nominations due in February. Winners are announced in May. See website for further program details. No fee.
Website: www2.ncte.org/awards/achievement-awards-in-writing/
Email: aa@ncte.org
Phone: (217) 328-3870 or (877) 369-6283

NCTE PROMISING YOUNG WRITERS PROGRAM
Grade 8
Program Category: Awards & Recognitions
Academic Content: Language Arts

The purpose of the National Council of Teachers of English (NCTE) Promising Young Writers Program is to stimulate and recognize the writing talents of eighth-grade students and emphasize the importance of writing skills among them. Eighth graders, nominated by their schools, submit a best and a themed writing piece. Judges evaluate their works. Students can earn a Certificate of Recognition or a Certificate of Participation.

Academic Skills: Artistic expression, creativity, critical thinking, verbal reasoning and writing
Program Provider: National Council of Teachers of English
Fees and Deadlines: Check the website for deadlines. No fee.
Website: www2.ncte.org/awards/promising-young-writers/

NOBEL CONFERENCE AT GUSTAVUS ADOLPHUS COLLEGE
Grades 9–12
Program Category: Conferences & Institutions
Academic Content: STEM

Join nearly 1,000 high school students at the 2019 Nobel Conference, “Climate Changed: Facing our Future.” It invites participants to consider the causes and consequences of climate change and our responses to the challenges it presents us, as individuals and as a society.

Academic Skills: Critical thinking, environmental stewardship, global citizenship and interdisciplinary
Program Provider: Gustavus Adolphus College
Fees and Deadlines: The 55th Nobel Conference is held Sept. 24–25, 2019. High school delegations are FREE but need to register in advance.
Website: www.gustavus.edu/nobelconference
Email: nobelconference@gustavus.edu
Phone: (507) 933-7520
Contact: Office of Marketing and Communication
NOETIC LEARNING MATH CONTEST

Grades 2–8
Program Category: Challenges & Competitions
Academic Content: STEM

The Noetic Learning Math Contest is a semiannual problem solving contest for elementary and middle school students. The goal of the competition is to encourage students' interest in math, to develop their problem-solving skills and to inspire them to excel in math. During the contest, students are given 45 minutes to solve 20 problems.

Academic Skills: Critical thinking, problem solving
Program Provider: Noetic Learning
Fees and Deadlines: See website for details.
Website: www.noetic-learning.com/mathcontest/index.jsp
Email: info@noetic-learning.com
Phone: (913) 735-4088
Contact: Li Kelty

NORTHWESTERN UNIVERSITY MIDWEST ACADEMIC TALENT SEARCH (NUMATS)

Grades 3–9
Program Category: Classroom Enrichment
Academic Content: General

NUMATS is an opportunity for students to take internationally recognized tests such as PSAT, ACT or SAT before the grade levels at which they are normally administered. NUMATS identifies academic ability, measures growth, and highlights resources and opportunities for advanced students. It also helps parents and educators better understand their students’ educational needs.

Academic Skills: Recall, problem solving, critical thinking and writing
Program Provider: Northwestern University Center for Talent Development
Fees and Deadlines: Visit website for details.
Website: www.ctd.northwestern.edu/numats
Email: numats@ctd.northwestern.edu
Phone: (847) 491-3782, ext. 3

PERENNIAL MATH ONLINE MATH COMPETITION

Grades 3–12
Program Category: Challenges & Competitions, Classroom Enrichment
Academic Content: STEM

Math is COOL! The goal of this competition is to stimulate students’ enthusiasm for problem solving. Students in grades 3–12 can join the online competition, travel to an on-site tournament or compete in virtual tournaments. Visit the website or Facebook page at www.facebook.com/perennialmath for more information.

Academic Skills: Mathematics
Program Provider: Perennial Math
Fees and Deadlines: $75 per team (up to 30 students); $25 for individual student membership.
Website: www.perennialmath.com
Email: info@perennialmath.com
Phone: (888) 835-2366
PERSONAL FINANCE DECATHLON
Grades 9–12
Program Category: Challenges & Competitions
Academic Content: Business/Career Education, Social Studies

The Personal Finance Decathlon is an exciting competition for high school students that engages students’ content knowledge and critical and creative thinking skills. Twelve teams will be invited to the state competition based on online test scores. At the state competition, teams receive a case study and prepare a presentation of financial recommendations to a panel of judges.

Academic Skills: Critical thinking, problem solving, public speaking, teamwork and verbal reasoning
Program Provider: Minnesota Council on Economic Education
Fees and Deadlines: All high school students are eligible. Teachers may enter multiple teams. There is no registration cost to teachers or students to participate. Registration for the competition will open in winter 2019.
Website: www.mcee.umn.edu/students/personal-finance-decathlon
Email: azappa@umn.edu
Phone: (612) 625-3727

★ POETRY OUT LOUD
Grades 9–12
Program Category: Challenges & Competitions, Classroom Enrichment
Academic Content: Arts, Language Arts

Poetry Out Loud encourages students to learn about great poetry through memorization and recitation. This program helps students master public speaking skills, build self-confidence, and learn about literary history and contemporary life. Educator resources are provided free of charge. Contests begin at the classroom level and progress through the all-expense-paid national competition.

Academic Skills: Public speaking
Program Provider: South Central Service Cooperative in partnership with the Minnesota State Arts Board, National Endowment for the Arts and the Poetry Foundation
Fees and Deadlines: Free. Registration in the fall; please check website for details.
Website: www.mnscsc.org/student/poetry-out-loud or www.poetryoutloud.org/

★ SCHOOL CHESS ASSOCIATION
Grades K–12
Program Category: Challenges & Competitions
Academic Content: STEM

Learn a lifetime activity – CHESS! The School Chess Association sponsors tournaments, matches, instruction, camps and clubs at schools. The Tournament of Champions takes the top 16 players in both primary and elementary sections of the statewide tournament to compete in a United States Chess Federation rated tournament. The winner of the primary and elementary sections will earn the title of School Chess Association Primary and Elementary Champion.

Academic Skills: Problem solving and critical and analytical thinking
Program Provider: School Chess Association
Fees and Deadlines: Call for fees and dates or check the website for more information.
Website: www.schoolchess.org
Email: lorene@schoolchess.org
Phone: (763) 593-1168
Contact: Lorene Lampert
SKILLSUSA MINNESOTA
Grades 9–12, Post-secondary
Program Category: Challenges & Competitions, Leadership Development
Academic Content: Business/Career Education
SkillsUSA is a national membership association serving high school and college students who are preparing for careers in trade, technical and skilled service occupations, including health occupations, and for further education. Leadership training and putting new leadership skills into practice is a key part of the SkillsUSA experience.
Academic Skills: Leadership development, public speaking, teamwork, time/budget management and state/national competition
Program Provider: SkillsUSA Minnesota
Fees and Deadlines: Check the website for conference locations, fees and deadlines.
Website: www.mnskillsusa.org
Email: executive.director@mnskillsusa.org
Phone: (952) 567-8035
Contact: Cindy Walters (Interim)

SPELLING BEE
Grades 5–8
Program Category: Challenges & Competitions
Academic Content: Language Arts
In addition to improving students’ spelling skills and increasing their vocabularies, spelling bee participation provides valuable experience in developing poise—a necessary skill for success in public speaking, performing arts and other activities.
Academic Skills: Factual recall and verbal reasoning
Program Provider: Spelling sponsors vary by region.
Fees and Deadlines: Visit the website for details.
Website: www.spellingbee.com

STUDENT TELEVISION NETWORK (STN)
Grades 7–12
Program Category: Challenges & Competitions, Classroom Enrichment
Academic Content: Arts, Business/Career Education
STN supports and encourages scholastic broadcasting and provides a forum for teachers to share ideas, ask questions and learn from professionals in the industry. Since 1999, STN has expanded to include film, media and other forms of communication taught in high schools and middle schools. STN serves teachers and students with curriculum, communication and competitions year-round.
Academic Skills: Artistic expression, creativity, leadership development, public speaking and teamwork
Program Provider: Student Television Network
Fees and Deadlines: $75 annual membership for school/broadcast/film program. STN Convention will be held March 12–15, 2020 in Washington D.C.
Website: www.studenttelevision.org
Email: info@studenttelevision.com
Phone: (877) 786-1001
Contact: Nancy Held Loucas
SUMDOG
Grades K–8
Program Category: Classroom Enrichment, Out of School Time Enrichment
Academic Content: Language Arts, STEM
Sumdog provides engaging learning and practice in numeracy for children ages 5–14 and literacy for children ages 5–11. The online learning service adapts to each individual, using engaging game-based learning to motivate and build confidence. A learning engine reports progress to student’s teachers and parents and frees educators to target their interventions.

Academic Skills: Numeracy and literacy
Program Provider: Sumdog, Inc.
Fees and Deadlines: Free login. Family membership and school subscription adds access.
Website: www.sumdog.com
Email: See form on website
Phone: (877) 978-6364

TEAMS
Grades 7–12
Program Category: Challenges & Competitions, Classroom Enrichment
Academic Content: STEM
TEAMS is an annual one-day STEM competition challenging students to work collaboratively and apply their math and science knowledge in practical, creative ways to solve real everyday engineering challenges. Teams of four to eight students compete. Check the TEAMS website for more information.

Academic Skills: Problem solving, critical thinking and cooperation
Program Provider: Technology Student Association (TSA)
Fees and Deadlines: Online registration opens in September. Registration fees are determined by the competition site. Statewide competitions take place during February and March.
Website: https://teams.tsaweb.org/
Email: jglover@tsaweb.org
Phone: (888) 860-9010

★ TECHNOVATION [MN]
Grades 5–12
Program Category: Challenges & Competitions, Out of School Time Enrichment
Academic Content: STEM
Technovation [MN], the Minnesota chapter of the Global Technovation Challenge, the world's largest all girls entrepreneurship and technology program. We inspire and enable teen girls to dream up, design, code, and pitch mobile phone apps supported by trained mentors in the business community. In May, the Minnesota Appapalooza event celebrates our girl's success and the quarter-finalists are announced.

Academic Skills: Creativity, critical thinking, problem solving, public speaking and teamwork
Program Provider: Code Savvy
Fees and Deadlines: The program is free to all girls and non-binary individuals. Registration begins October 2019. Meet dates: January–April 2020 (teams can start as early as October 2019). Appapalooza, celebration event, first half of May 2020. Check website for deadlines.
Website: www.technovationmn.org/
Email: jean@codesavvy.org
Phone: (612) 963-3344
Contact: Jean Weiss
THINKING CAP QUIZ BOWL
Grades 5–8
Program Category: Challenges & Competitions, Classroom Enrichment
Academic Content: General
Fun scholastic competitions in school. All quizzes are self-scoring, online contests of 100 multiple-choice questions. Areas covered include math, geography, government, sports, spelling, science, literature, language arts, history, general information and fun trivia. An adult is needed to monitor but no adult help can be given. See website for details.
Academic Skills: Factual recall, problem solving, critical thinking, research, teamwork, leadership development, time/budget management and verbal reasoning
Program Provider: Harvey Kimble, owner
Fees and Deadlines: Check website for entry forms, info, fees and deadlines.
Website: www.thinkingcapquizbowl.com
Email: thinkcap5@gmail.com
Phone: (515) 278-5097
Contact: Harvey Kimble

TOSHIBA/NSTA EXPLORAVISION AWARDS
Grades K–12
Program Category: Challenges & Competitions
Academic Content: STEM
ExploraVision is a science competition which challenges students to envision and communicate new technology 20 years in the future through collaborative brainstorming and research of current science and technology. A teacher will sponsor and guide students as they work in groups of 2–4 to simulate real research and development. Each student may submit one project online per year.
Academic Skills: Problem solving, critical thinking, creativity and cooperation
Program Provider: Toshiba/NSTA ExploraVision
Fees and Deadlines: No entry fee. Projects must be received online; deadline is early February. See website for submission details.
Website: www.exploravision.org
Email: exploravision@nsta.org
Phone: 1-800-explor-9

★ U.S. ACADEMIC TRIATHLON
Grades 5–8
Program Category: Challenges & Competitions, Out of School Time Enrichment
Academic Content: Arts, General, Language Arts, Social Studies, STEM
Established 30 years ago, U.S. Academic Triathlon is an extra-curricular academic and creativity competition encouraging students to think outside the box to solve problems while promoting teamwork and leadership. Teams of five students compete in three round robins to build up to the regional and state competitions. Each competition includes three parts: Face-Off!, Mind Sprints and PARTY in a Box.
Academic Skills: Creativity, critical thinking, interdisciplinary, problem solving and teamwork
Program Provider: U.S. Academic Triathlon
Website: www.usacademictriathlon.com
Email: sarah@usacademictriathlon.com
Phone: (507) 645-2560
Contact: Sarah Sheldon
U.S. NATIONAL CHEMISTRY OLYMPIAD
Grades 9–12
Program Category: Challenges & Competitions
Academic Content: STEM

The U.S. National Chemistry Olympiad is a multi-tiered competition sponsored by the American Chemical Society. Participants compete in a series of qualifying events and the top four students of the national competition represent the United States in the annual International Chemistry Olympiad.

Academic Skills: Problem solving, chemistry and mathematical skills
Program Provider: American Chemical Society
Fees and Deadlines: No fees. Local event in March; National event in April; International event in July (Location changes every year). Visit website for rules and eligibility.
Website: www.acs.org/olympiad
Email: USNCO@acs.org
Phone: (202) 872-6328 or (800) 227-5558, ext. 6328

UNITED STATES SENATE YOUTH PROGRAM
Grades 11–12
Program Category: Awards & Recognitions, Leadership Development
Academic Content: Social Studies

Two high school junior or senior leaders will spend a week experiencing their national government in action and be awarded a $10,000 college scholarship for undergraduate studies, with encouragement to pursue coursework in history and political science. The 58th annual program will be held in Washington, D.C. March 7–14, 2020. For more information and eligibility requirements visit www.education.mn.gov/MDE/fam/youth.

Academic Skills: Leadership, critical thinking and cooperation
Program Provider: Minnesota Department of Education
Website: www.ussenateyouth.org
Email: MDE.communications@state.mn.us
Phone: (651) 582-8734
Contact: Gloriann McDonald

UNIVERSITY OF MINNESOTA TALENTED YOUTH MATH PROGRAM (UMTYMP)
Grades 5–12
Program Category: Classroom Enrichment, Out of School Time Enrichment
Academic Content: STEM

An accelerated math program, middle and high school students take rigorous, fast-paced math courses once a week on the U of M campuses. UMTYMP students learn traditional high school math – Algebra I and II, Geometry and Precalculus – in just two years. Students then take university-level Calculus courses over three years. Participants earn college credits while learning in a community of highly talented and hardworking peers.

Academic Skills: Creativity, critical thinking, problem solving, teamwork, analytic ability, STEM concepts and mathematical skills
Program Provider: UMTYMP – MathCEP
Fees and Deadlines: Registration for the entrance exam begins in mid-December for admission the following fall. Fee varies per University of Minnesota campus (Twin Cities, Rochester, Duluth). Check the website for exam registration and fees. Scholarships available for students with financial need.
Website: www.mathcep.umn.edu/umtymp
Email: mathcep@umn.edu
Phone: (612) 625-2861
UNSUNG HERO PROJECTS
Grades K–12
Program Category: Awards & Recognitions, Classroom Enrichment
Academic Content: Arts, Language Arts, Social Studies
The Lowell Milken Center for Unsung Heroes works across diverse academic disciplines to discover and share the stories of individuals who have made a profound and positive impact in history. Through a unique project-based learning approach, students produce documentaries, plays, websites and visual arts projects that champion unsung heroes.

Academic Skills: Creativity, critical thinking, interdisciplinary, research and teamwork
Program Provider: Lowell Milken Center for Unsung Heroes
Fees and Deadlines: Free. See website for program details.
Website: www.lowellmilkencenter.org/programs/projects/about
Email: info@lowellmilkencenter.org
Phone: (620) 223-1312

WALKER ART CENTER ART TODAY TOURS
Grades K–12
Program Category: Classroom Enrichment
Academic Content: Arts
Public, school and self-guided tours exploring contemporary art through Walker’s permanent collection and special exhibitions.

Academic Skills: Critical thinking, creativity and art appreciation
Program Provider: Walker Art Center
Fees and Deadlines: Interactive, learner-centered and inquiry-based explorations of the Walker galleries and/or the Minneapolis Sculpture Garden. Customized tour options available for Special Education classrooms. Discounted admission for groups of 10 or more. Group tours must be scheduled at least three weeks in advance and self-guided group visits must be scheduled at least one week in advance to qualify for the special group rate.
Website: www.walkerart.org/visit/tours-field-trips
Email: tours@walkerart.org
Phone: (612) 375-7609

WAM TEEN ARCHITECTURE WORKSHOP
Grades 10–12
Program Category: Out of School Time Enrichment
Academic Content: Arts, STEM
Have you ever dreamed of being an architect? If so, this week-long, immersive architecture workshop may be for you! Students explore the world of architecture with professional architects, engineers and designers from the University of Minnesota. No specific design experience is necessary. All sessions are held at the Weisman Art Museum on the Minneapolis campus of the University of Minnesota.

Academic Skills: Creativity, critical thinking, problem solving, public speaking and teamwork
Program Provider: Weisman Art Museum
Fees and Deadlines: Eligible students must be entering grades 10–12 in the fall of 2020. The fee for all attendees is $200. A limited number of need-based scholarships are available. Registration deadline is June 2020. The workshop is Aug. 3–7, 2020 from 10 a.m.–4 p.m.

NOMINATE YOUR ACADEMIC CHALLENGE COACH FOR A WEM OUTSTANDING EDUCATOR AWARD!

The WEM Outstanding Educator Awards Program was created to bring recognition to the often "unsung heroes" who meet the challenges of teaching in a variety of settings. The Academic Challenge Coach Awards recognize exemplary coaches of student teams that participate and compete in academic challenges approved by the Minnesota Academic League Council (all programs listed in Reach for the Stars have been approved by the MN ALC).

State honorees receive a crystal apple and an unrestricted $15,000 gift. Regional honorees receive an unrestricted $1,500 gift, trophy and the opportunity to compete in the state competition the following year. Synergy & Leadership Exchange administers the award program on behalf of the WEM Foundation. To place a nomination, visit synergyexchange.org/wem.aspx.
★ YMCA YOUTH IN GOVERNMENT MODEL ASSEMBLY SESSION
Grades 8–12
Program Category: Conferences & Institutions, Leadership Development
Academic Content: Language Arts, Social Studies

Students form groups through local YMCAs and high schools. They research and discuss state issues, draft legislation and develop legal opinions. The culmination is a four-day model state government session at the State Capitol and conference facility. Focus is on state government with an emphasis on leadership development, personal skill building and developing friendships with peers from across Minnesota.

Academic Skills: Critical thinking, leadership development, public speaking, teamwork and verbal reasoning
Program Provider: YMCA Youth in Government
Fees and Deadlines: Approximately $450 (includes lodging) plus minimal local expenses. Registration is in early October via local school or YMCA group. State conference is Jan. 9–12, 2020.

★ YMCA YOUTH IN GOVERNMENT MODEL UNITED NATIONS
Grades 7–12
Program Category: Conferences & Institutions, Leadership Development
Academic Content: Language Arts, Social Studies

Model United Nations gives students the opportunity to gain an international outlook on issues that affect the way we live, while playing a role as an international diplomat. Student delegates form alliances, debate resolutions and seek solutions to world problems, all from another country’s perspective. Focus is placed on diplomacy and cooperation among diverse opinions and world-views.

Academic Skills: Critical thinking, global citizenship, leadership development, public speaking and teamwork
Program Provider: YMCA Youth in Government
Fees and Deadlines: Approximately $375 (includes lodging) plus minimal local expenses. Registration is in December. Conference is March 26–28, 2020.

MINNESOTA CHARACTERS COUNCIL
The role of the council is to advise, assist and advocate for programs and activities in Minnesota that promote and celebrate positive character and ethical leadership development.

MINNESOTA ACADEMIC LEAGUE
Synergy & Leadership Exchange provides administrative support for the Minnesota Academic League Council, which reviews and approves programs and activities that meet the criteria to appear in the Reach for the Stars catalogue, as well as advocates for academic enrichment opportunities.

REACH FOR THE STARS
This free guide lists more than 100 academic enrichment programs and activities that have received the Minnesota Academic League Council’s approval. It is created, published and distributed as a public service by Synergy & Leadership Exchange with support from Jostens and other partners.

CHARACTER RECOGNITION AWARDS
This event celebrates the statewide achievements of schools and community programs in their efforts to improve achievement, behavior and climate. Recognitions include the Minnesota Schools of Character, Minnesota Promising Practices Awards and Minnesota Ethical Leadership Award.

GATHERING OF CHAMPIONS
Each year K-12 students who are consistent top academic performers; have shown significant improvement in achievement or have overcome barriers to academic achievement; or are local, regional or state champions in a Minnesota Academic League Council approved event are named Minnesota Academic All-Stars and recognized at a free event hosted by Synergy and its partners.

WEM OUTSTANDING EDUCATOR AWARDS PROGRAM
Synergy administers the WEM Outstanding Educator Awards Program on behalf of the WEM Foundation in support of teachers and their important role in helping all students achieve academically and seeks to bring recognition to the often “unsung heroes” who meet the challenges of teaching in a variety of settings. Educators, administrators, academic challenge coaches and athletic coaches from Minnesota public or non-public schools and educational institutions are eligible.
